

Approximately 2½ years ago, the Greensboro City Council appointed a Steering Committee to develop a Comprehensive Plan to direct the future growth and development of our community. Throughout this process, the Committee held numerous public meetings to ensure that citizens had an opportunity to be heard regarding their desires for Greensboro's future. The draft Comprehensive Plan, called "Connections 2025" is now ready to present to the Greensboro City Council. You're invited to attend and participate in the Public Hearing which will be held:

Wednesday, April 23 • 6:00 pm
Melvin Municipal Office Building
300 West Washington Street

The draft of the plan, along with its proposed revisions, is available for your review on the City's website at www.ci.greensboro.nc.us and at all Greensboro Public Library locations. For more information, call Heidi Galanti at 574-3576.
